*Thank you for your interest in the Foundation for Faces of Children's scholarship program.
These scholarships are awarded based on the following criteria:*

- Applicants must have been born with a craniofacial difference.
- Applicants must reside in New England (CT, ME, MA, NH, RI or VT.)
- Applicants must show evidence of character, determination to complete academic program, academic achievement, and involvement in extracurricular activities.
- Not open to current board members or board members who have served in the past five years or their family members.
- All applications MUST BE postmarked by April 1 of the year in which they are being awarded and will be kept confidential.
- Applicants may apply multiple times but will be awarded a scholarship only ONCE.

The Jane C. McDaid Memorial Scholarship: In addition to the criteria listed above, this scholarship will be awarded to the applicant that shows evidence of strong community service. This scholarship was named to honor FFC past president and board member, Jane McDaid.

The Barbara Seltzer Memorial Scholarship: In addition to the criteria listed above, this scholarship will be awarded solely to an applicant with cleft lip/palate who has been active in the arts or who will be pursuing a career in the arts. This scholarship was named to honor Prescription Parents co-founder Barbara Seltzer.

The Dorothy MacDonald Scholarship: In addition to the criteria listed above, this scholarship will be awarded to an applicant who will be pursuing a career in the health profession. This scholarship was named to honor Dorothy B. MacDonald, RN, who has dedicated her career to caring for children with craniofacial differences.

The Dr. John B. Mulliken Scholarship: In addition to the criteria listed above, this scholarship will be awarded to an applicant who demonstrates excellence in academic scholarship and leadership. This scholarship was named after Dr. John B. Mulliken, founder of the Foundation for Faces of Children, who has devoted his life to working with and improving the lives of children born with craniofacial differences.
